

**METHOD OF PRINTING
INFORMATION BY A NETWORK KIOSK**

Abstract of the Disclosure

A method of printing information by a network kiosk which prints web page information, designed for printing on standard width paper, on narrower receipt paper. The method includes the steps of receiving a command to print information in a displayed web page, obtaining an address of the displayed web page, determining a format for printing the information on receipt paper using the address, creating a script to print the information in the format, and executing the script to print the information on the receipt paper.
